## Profile

Over the past three decades MURUGAN Metal, has emerged as India's largest Household utensil company catering to the needs of homemakers in the country under the leadership of E.M.Karunanithi. Every "MURUGAN" product is built on the pillars of safety, innovation, durability and trust, making the brand the first choice in thousands of homes.

We always begin by understanding the needs and requirements of our customer and then we design and deliver products like Cutlery, Milk Boilers, Idly Cookers, and Water Filter

Today, MURUGAN Metal manufactures a comprehensive range of kitchen products and cookware. Two state-of-the-art-manufacturing units, backed by the latest R&D facilities ensure total compliance to standards of excellence in design and quality.

Quality and Consistency are the prime motivating factors. MURUGAN Metal in-house design facilities, tool & die-making facilities with an impetus on quality control, has enabled the company to consistently produce products of the highest quality sticking to the finest quality norms.

The company relies on its core values of consumer *trust, ethics* in business practices and *quality* in products.

The mission at MURUGAN Metal remains to improve the family's quality of life through the superior quality and efficiency of its household cookware
